## Great Hollands, Bracknell

BML UK Urban League and S.E.O.U.L.

<http://www.bko.org.uk/>

*Great Hollands is considered by many to provide one of the most challenging urban areas in the country. The estate was built in the late 1960s with the idea of separating the pedestrian areas from the cars and other traffic. There are numerous blocks of housing with small grassy courtyards, complex alleyways, many canopies and linked pathways, garage blocks and cul-de-sacs. Much of the area has blocks which appear to repeat in shape but have subtle differences making concentration vital. This is Urban Orienteering at its finest!*

**LOCATION:** Parking will be at Fujitsu on the Western Trading Estate in Bracknell – GR SU853683, Postcode RG12 8YS fee £1 per car. Assembly is a short walk away – full information in the final details. The car park and assembly are about 20 minutes walk from Bracknell rail station (with regular trains from Waterloo and Reading).
